

Vote Jim Mays

for Village President

www.StillmanValley.org

Stillman Valley is a great place to live and I'd like to make sure it stays that way. Our village is at a crucial point in time. We see real estate development all around us and our schools are growing ever more crowded. At the same time, we must find the money to maintain the sewer and water pipes, the roads, and our water treatment plant.

We cannot continue "business as usual" and expect these challenges to just melt away. Our current President has been in village government for over 20 years and it's time for a change.

I would appreciate your vote on April 5th.
